

Instructions and Login

Welcome to the West Virginia School Learning Environment Survey for Parents / Caregivers. Thank you for agreeing to participate. We value your feedback. The results of this survey will be used to help make changes in your child's school to ensure a positive and supportive place to learn and work.

Your participation is voluntary. You may choose not to participate; not to answer any questions you do not want to answer; and you may stop participating at any time during the survey without penalty. Your responses will be anonymous and confidential.

If you have questions about the survey or have problems completing the survey, please contact your child's school.

To continue, please login by using the information provided and clicking the "Next" button.

Sections of the WV School Learning Environment Survey are being conducted in collaboration with Hanover Research. With their assistance, the survey will help to identify and understand the social/emotional supports needed in your school to improve student well-being.
