A student cannot be identified as a student in need of special education services if the primary reason for the decision is due to any of the following:

- A lack of appropriate instruction in the essential component of reading; or
- A lack of instruction in mathematics; or
- Limited English proficiency.

For initial evaluation or reevaluation, the student meets the three prong test of eligibility:

- Meets the eligibility requirements for one of the specific exceptionalities; and
- Experiences an adverse effect on educational performance; and
- Needs special education services.

For reevaluation only:

If a student no longer meets the eligibility criteria in one of the designated exceptionalities, the EC must provide the justification for continued eligibility. _____

The Eligibility Committee has determined the student's primary area of exceptionality is (check only one):
