Digital Media/Literacy Portfolio

Auditioning for digital media/literacy requires the creation of a portfolio.

Portfolio Requirements:

Students should submit three to five (3-5) pieces of digital artwork, included from at least two different areas below:

- Photography
- Digital Illustration (any form of vector creation)
- Graphic Design (such as logo design)
- Page Layout (Such as posters or other print designs including text)
- Digital Composition (Using multiple images within one digital artwork)
- Video (Any type of video created where multiple clips, audio, music, or graphics have been combined)
- Animation

All photos, digital illustrations, graphic design elements, page layouts, or digital compositions should be submitted as PDF or JPEG files.

Videos and animations should be submitted as MOV or h.264/MP4 files.

Please provide an artistic statement with your portfolio. You are welcome to be as creative as you wish with your portfolio layout. Flattened portfolios should be submitted in digital format, either as PDF Files (with links to any video or animation files) or as a public access link to a portfolio site. Please double check all links before submission.

File Submission

- Create a PDF file with all the links to your digital artwork or videos. Include your First and Last Name, School, and "Digital Media Portfolio" as a title of the file. **Please ensure you have granted public access to the video.** WVDE and GSA staff must be able to view the video.
- Upload the PDF to the file submission location below.
- **You must include your first and last name in the file name.**
