Addition of Alternative Certification (AC) General Education Endorsement(s)
Program Name
Program Provider(s)
Partner(s)

List any additional general education endorsement(s) (as found within WVBE Policy 5202, Appendix A) necessary to meet your areas of critical need and shortage, which were not included within your school district's WVBE-approved AC general education program (in the program overview). It is not necessary to include details of the preparation plan for pedagogy in this listing. Signatures from all program providers and partners listed within the approved program are required. This document will become an addendum to your AC General Education Program, as approved by the ACEPPRB and WVBE. The program of study, support and all other aspects of the program will remain the same.
