Access to the PEIA FTP site is a privilege and any violation(s) of the security provisions of the site, e.g. sharing access credentials, allowing others to access/view the site, and/or the unauthorized re-disclosure of information obtained from the FTP site, will result in the immediate termination of access privileges.

The image shows a login interface for the IPSWITCH File Transfer WS_FTP Server Web Transfer Client. The interface is dark-themed with a green border. At the top left is the IPSWITCH logo, which consists of a stylized green and blue circular graphic with a white arrow pointing downwards. To the right of the logo, the text "IPSWITCH" is in green, "File Transfer" is in white, and "WS_FTP Server" and "Web Transfer Client" are in a smaller white font below a horizontal line. The main area contains a login form with the following elements:

- Username:** A text input field containing "patricia.gillispie".
- Password:** A password input field with a masked password of ten dots.
- Language:** A dropdown menu currently set to "English".
- Remember my password:** An unchecked checkbox.
- Login:** A white button with the text "Login".

The screenshot shows a terminal window with a menu of assignment titles. A dialog box titled 'Data Transfer to System i - PC5250\$B.TFR' is overlaid on the terminal. The dialog box contains the following fields: 'File name' with the value 'C:\Users\Pgillispie\Desktop\cabell (1)', 'System i' with the value '10.140.200.17', and 'Library/File(Member)' with the value '|BMQUERY12/PEIARCV(PEIARCV)'. A yellow arrow points to the 'Transfer data to System i' button at the bottom of the dialog box. The terminal window also shows a 'Signoff? N' prompt and a status bar at the bottom with the text '07/055' and 'HP PageWide Pro 477dn MFP PCL 6 on USB00'. The Windows taskbar is visible at the bottom of the screen, showing the time as 11:36 AM on 10/18/2019.
