That the total approximate annual amount needed to be raised for said purposes, after allowances for discounts, delinquencies and exonerations, is \$9,503,603.

That the proposed, continued additional rate of levy in cents per one hundred dollars of assessed valuation on each class of property is as follows:

Class I	22.95 cents
Class II	45.90 cents
Class III	91.80 cents
Class IV	91.80 cents

The Board of Education, however, reserves the right and authority to reduce the rates of the excess levy if increases in assessed valuations produce funds beyond the projected needs in any year specified in the levy call.

Should any additional monies be obtained by grant or otherwise from the state or federal government or any other source, the additional money may be used either in substitution or in addition to the amount obtained from this levy.

Should collections from the additional levies be in excess of the amounts projected, the Board of Education reserves the right to expend the surplus for any of the above stated purposes or to enrich, supplement, and improve the educational services and/or facilities in the public schools in the county. In the event that the amount collected is less than the amounts projected herein, the Board of Education reserves the right to make the reduction in any of the above stated purposes.

We, the Board of Canvassers of the County of Fayette, State of West Virginia, having carefully and impartially examined the returns of the Special School Levy Election held in said County, in each district thereof on the 20th day of January, two thousand eighteen, do certify that the result of the Fayette County Board of Education Special School Levy Election in said county is as follows:
